

## THE NEW IAPSO EARLY CAREER SCIENTISTS WEBSITE IS ONLINE!

*Explore the website made for oceanographers by oceanographers*

Special thanks to the team that made it possible - Jesse Cusack, Alexander Haumann and Casimir de Lavergne

<https://www.iapsoecs.org>

The website aims to provide information on upcoming IAPSO events, the latest job postings (updated weekly), past newsletters as well as useful resources for early career chemical and physical oceanographers.

If there is anything you would like to see on the website or information that you would like share with the IAPSO ECS community, drop us an email at [info@iapsoecs.org](mailto:info@iapsoecs.org)!

## OPEN CALL TO PARTICIPATE IN GROUP REVIEW FOR IPCC (AR6) REPORT

There is currently an opportunity for interested ECS to collectively participate in the Expert Review of the Working Group I (Physical Science Basis) contribution to the IPCC Sixth Assessment Report (AR6).

The Second Order Draft of the Working Group I report will be available from 2 March and extended till 5 June 2020.

If you are interested to participate in the Expert Review as part of the IAPSO ECS Group, please email us at [info@iapsoecs.org](mailto:info@iapsoecs.org) to express your interest.

The closing date for registrations is on **16 April 2020**

More information about the review process can be found [here](#).

**We are also seeking an enthusiastic IAPSO ECS member to be one of the coordinators for the IAPSO ECS Group IPCC Review.**

**Please email us at [info@iapsoecs.org](mailto:info@iapsoecs.org) with the subject heading "IPCC IAPSO ECS Coordinator" to express your interest.**

## UPCOMING EVENTS

### EGU GENERAL ASSEMBLY 2020 SHARING GEOSCIENCE ONLINE

4 - 8 may 2020 | CEST  
website | <https://egu2020.eu>

EGU2020: Sharing Geoscience Online (**#shareEGU20**) brings part of the activities of the EGU General Assembly 2020 online.

Participation is free of charge to everyone.

### IAMAS-IACS-IAPSO JOINT ASSEMBLY 2021 OPEN CALL FOR SESSION PROPOSALS

busan | republic of korea | 18 - 23 july 2021  
website | [http://baco-21.org/2021/english/main/index\\_en.asp](http://baco-21.org/2021/english/main/index_en.asp)

Submission for IAPSO / joint session proposals for the 2021 Joint Assembly is now open until **15th April 2020**.

Further information on proposals for IAPSO sessions can be found at <http://iapso.iugg.org/component/acymailing/archive/view/mailid-95.html>

### Need a break from #WORKINGFROMHOME ? Here are some suggestions ...

#### Participate in a virtual discussion

**MPOWIR** is running a series of bi-weekly virtual discussions with the next session focusing on "**Strategies for Remote Work**".

8 april | 12:00pm EDT / 9:00am PDT  
website | <http://mpowir.org/mpowir-virtual-discussions/>

#### Practise your sci-comm skills

Sign up with **Skype a Scientist** to share your research with students and science enthusiasts across the world.

website | <https://www.skypeascientist.com>

#### Write up your science origin story

Join the 1 MILLION WOMEN IN STEM campaign, which aims to provide visible role models and inspire the next generation of girls to pursue STEM careers.

website | <https://www.1mwis.com/campaign>

#### Listen to a climate science podcast

Check out **@ClimateSciPod** which features informal conversations with climate researchers

website | <https://anchor.fm/climate-scientists>

#### Stay social with us @iapso\_ecs on Twitter

Share your fieldwork photos and science stories with us using **#iapsoecs** to be featured on our Twitter page and in our next newsletter !
